Simply fill out the entire form. Sign where indicated. Text / email / fax to MESH Network. We will verify the content of the form. We will contact the provider for any questions about the orders. We will contact the patient for invoicing and instructions for completing their lab process through a local Labcorp. If they choose, we will instruct them on creating a Labcorp account. They will always have access to their own labs. Labcorp now has an app as well. Do not hesitate to contact MESH if you have any questions.
